

Duke®

DY 2530-DZ

Direct Drive Single Needle Flat Bed Auto Lubrication, Top & Bottom Feed, Zigzag Machine

Specification

Zig Zag Stitching Capability:

The machine offers a wide range of zig zag stitch patterns, allowing you to add decorative touches, secure seams, and create unique designs. The zig zag stitch is ideal for finishing edges, appliqué work, and embellishments.

Adjustable Stitch Width and Length:

You have the flexibility to adjust the stitch width and length to suit your specific sewing requirements. This feature allows you to create precise and customized stitches, whether you are working on delicate fabrics or heavy materials.

Auto Lubrication System:

The built-in automatic lubrication system ensures that the machine's moving parts are properly lubricated always. This promotes smooth operation, reduces friction, and extends the machine's life span. Regular lubrication also minimizes the need for manual maintenance.

Special Features

Brand	Duke
Machine Type	Motor Operated
Number Of Needles	1
Usage/Application	Industrial
Needle Bar Stroke	36.5mm
Number Of Stitches	0-300
Power	550W
Needle Size	DP x 17
Model Name/Number	DY 2530-DZ
