

LT-9450/9750 SERIES

Direct Drive Twin Needle Split Needle Bar High Speed Lockstitch Sewing Machine

LT-9450-MDZ

LT-9450-DZ-ACE

LT-9450-MZCE

- Semi-oil lubrication, no oil in needle bar;
- Built-in direct motor save energy 40%. Lower heat generation, low noise, and light vibration;
- Decrease Bird's Nest function for good stitches;
- The new straight trimmer knife structure design(model with K) easy for adjustment;
- Needle gauge 4.8, 6.4, 9.5mm, special type please specify when ordering.

LT-9450-MZ	Direct drive twin needle split needle bar high speed lockstitch sewing machine (small hook, for thin and medium heavy material)
LT-9450-BZ	Direct drive twin needle split needle bar high speed lockstitch sewing machine (small hook, for heavy material)
LT-9750-MZ	Direct drive twin needle split needle bar high speed lockstitch sewing machine (big hook, for thin and medium heavy material)
LT-9750-BZ	Direct drive twin needle split needle bar high speed lockstitch sewing machine (big hook, for heavy material)
LT-9450-MDZ	Direct drive twin needle split needle bar high speed lockstitch sewing machine with automatic trimmer (small hook, bent knife, for thin and medium heavy material)
LT-9450-BDZ	Direct drive twin needle split needle bar high speed lockstitch sewing machine with automatic trimmer (small hook, bent knife heavy duty material)
LT-9450-MZCE	Direct drive double needle split needle bar needle feeding lockstitch sewing machine with edge cutter and binding
LT-9450-MDZK	Direct drive twin needle split needle bar high speed lockstitch sewing machine with automatic trimmer (small hook, straight knife, for thin and medium heavy material)
LT-9450-BDZK	Direct drive twin needle split needle bar high speed lockstitch sewing machine with automatic trimmer (small hook, straight knife for heavy material)
LT-9450-DZ-ACE	Direct drive twin needle split needle bar high speed lockstitch sewing machine with automatic trimmer (small hook, bent knife, Automatic turning corner)
LT-9750-MDZ	Direct drive twin needle split needle bar high speed lockstitch sewing machine with automatic trimmer (big hook, bent knife, for thin material)
LT-9750-BDZ	Direct drive twin needle split needle bar high speed lockstitch sewing machine with automatic trimmer (big hook, bent knife, for heavy duty)
LT-9750-MDZK	Direct drive twin needle split needle bar high speed lockstitch sewing machine with automatic trimmer (big hook, straight knife, for thin and medium heavy material)
LT-9750-BDZK	Direct drive twin needle split needle bar high speed lockstitch sewing machine with automatic trimmer (big hook, straight knife, for heavy duty)
LT-9750-DZ-ACE	Direct drive twin needle split needle bar high speed lockstitch sewing machine with automatic trimmer (big hook, bent knife, automatic turning corner)
